

Jean Franken

Independent Director

Member of Aedifica's Board of Directors since July 2013

In his forty-year professional career, Jean Franken (1948) has developed a broad experience in the real estate sector, ranging from construction through project development to property portfolio management. After completing his studies as a civil engineer at UCLouvain, he started his career as engineer at SNCB. From 1973 to 1977, he was project manager at CIT (a branch of the Blaton Group) for the construction of office and apartment buildings. Jean Franken then joined Igopec (a development company), where he was CEO until 1990. After five years at the head of Prifast, a subsidiary of a Swedish real estate group, he was Chief Operating Officer of Cofinimmo (a Belgian RREC) from 1997 to 2011.

Jean Franken joined Aedifica's Board of Directors in July 2013. He is a Chair of Aedifica's Investment Committee and a member of the Nomination and Remuneration Committee.
