### **Preliminary result of the tender offer on Hoivatilat Aedifica has control over approx. 95.5% of Hoivatilat shares**

In November 2019, Aedifica launched a voluntary public tender offer on all shares of Hoivatilat through its Finnish subsidiary Aureit Holding Oy<sup>1</sup> for which the offer period ended on 3 January 2020.

According to the preliminary result of the tender offer, approx. 90.0% of all issued and outstanding shares and votes in Hoivatilat have been validly tendered during the offer period.

Taking into account this preliminary result and the number of shares that Aedifica acquired from public trading on Nasdaq Helsinki until January 3 representing 5.5% of all issued and outstanding shares and votes in Hoivatilat, Aedifica has now control over approx. 95.5% of all issued and outstanding shares and votes in Hoivatilat.

The final result of the tender offer will be confirmed and announced on 9 January 2020 and completion and settlement of the offer will be on 10 January 2020. In connection with the announcement of the final result, and provided that the tender offer will be completed, Aedifica will announce whether a subsequent offer period will commence in accordance with the terms and conditions of the tender offer and whether squeeze-out proceedings will be started.

**Stefaan Gielens, CEO of Aedifica, commented:** *“Aedifica is delighted with the preliminary result of the tender offer and welcomes Hoivatilat within the Aedifica group. Hoivatilat and its team show a great track record of value creation in the Nordics and we believe that, next to opening the Nordics healthcare real estate markets for Aedifica, Hoivatilat’s build-and-hold model will add a new dimension to Aedifica’s growth story.”*
