Amendment of the financial year

In order to optimise audit and accounting processes within the Group (in particular given Aedifica's significant international growth), the Board of Directors deems it appropriate to use the same financial year for the entire Group. Aedifica's Board of Directors therefore proposes to extend the current financial year (that started on 1 July 2019) until 31 December 2020 and to start each subsequent financial year on 1 January and to end on 31 December.

If the Extraordinary General Meeting approves the amendment of the financial year, the annual Ordinary General Meeting (that normally takes place on the fourth Tuesday of October) will be held on the second Tuesday of May (in accordance with the proposed amendment to the Articles of Association). Consequently, the Ordinary General Meeting for the current financial year would be held on Tuesday 11 May 2021.

If so, Aedifica will not publish annual results on 2 September 2020, but instead will communicate results for the 12-month period from 1 July 2019 to 30 June 2020 on that date.

The Board of Directors intends to distribute an interim dividend to the shareholders over the period from 1 July 2019 to 30 June 2020, with payment in November 2020. The final decision as well as the amount of the interim dividend will be communicated on 2 September 2020 in the press release on the results for the twelve-month period from 1 July 2019 to 30 June 2020. By way of a reminder, the half year financial report published on 19 February 2020 announced a dividend forecast of €3.00 gross per share. Upon approval of the amendment of the financial year, the (final) dividend for the current (extended) financial year will be paid in May 2021, after approval of the financial statements for the (extended) financial year by the Ordinary General Meeting.
